"Your keynote was certainly one the leading factors in making our Las Vegas Software User Conference a huge success! Participants are still raving about the stories you shared and will reflect on them for years to come. Many said your message was LIFE CHANGING!"

Tom Huntington, VP Help Systems

"In 17 years of conferences, you are the only speaker to have received a standing ovation. Thank You so much for closing out our conference with laughter and a powerful message. You were fabulous!"

Success to Significance

Is there more to life than being successful? And, who determines whether you're successful or not – you! From boardrooms to kitchen tables, people are searching for what is next. Your business is doing well. Your kids are growing up. Age and wisdom begin to set in. You may find yourself wondering, "What lies beyond the conquest and mere existence? What am I missing? What have I done that has true and lasting value?" Join Renee and discover the tools and resources for moving from success to purpose in your life and creating lasting significance.

HIGH TEA at 103

There are a lot of lessons learned in a century-long life. In High Tea at 103, Renee shares a lifetime of advice passed on by her 103-year-old great grandmother. Hysterically funny, poignant, heartwarming and downright practical, her great grandmother's wisdom is meant to be shared with girls from 10 to 110. Renee bestows her great grandmother's life lessons to her audiences in a powerful and passionate message.

Audiences: Renee is a perfect fit for women's events, association meetings, annual conferences, healthcare & educator audiences, corporate retreats, and other groups who want to be moved with a powerful message!

"Renee, what can we say?
You are the best! Our
Women's Event was a
success because of you!
You scored 15's on our
rating scale which only
goes to 10. That's a first!
You are so funny and so
genuine. You are who we
all want to be. Thanks
again for making our day
and my job seem easy!"
